

Field of Interest Fund

With a Field of Interest Fund you can support your favorite cause, forever. When creating a Field of Interest Fund, you name the purpose of your fund (arts, health, education, etc.) and the Foundation identifies projects that will most effectively accomplish your goals. Our Board of Directors awards grants to community organizations and programs that are making a difference in the area you select. Your gift stays flexible enough to meet community needs in your interest area — even as community needs change over time.

Your gift can be placed into an endowment that is invested over time. Earnings from your fund are used to make grants addressing community needs. Your gift — and all future earnings from your gift — is a permanent source of community capital, helping to do good work, forever.

Field of Interest Funds are best suited for donors who:

- Have an interest in supporting a broad charitable cause, rather than a specific organization
- Are considering establishing a private foundation to support a particular cause
