Gas Meter Service*

Your Safety — is our top priority

As part of our ongoing commitment to maintaining a safe and reliable natural gas system, Long Beach Utilities must conduct regular atmospheric corrosion surveys on residential gas meters by accessing outside your home. There are 3 ways to identify an official Long Beach Utilities employee:

BRANDED VEHICLES

Every Utilities employee will arrive in a marked vehicle with the official Long Beach Utilities Logo.

PHOTO BADGE

All Utilities employee will have two forms of ID: Utilities-issued and a City of Long Beach badge.

LB UTILITIES UNIFORM

Our Utilities employees wear a bright yellow vest with logo, blue shirt, and/ or blue hat.**

**LB Utilities employees will never ask to enter the home.

*Daily gas meter maintenance services do not require an appointment.
