

Hello Sisters,

It is that time of year again when school is getting into full swing, and summer is sadly coming to an end. Don't forget, though, that every good ending started with a beginning, and this new year of sorority is a chance to start fresh. With this new fresh start, we can use the basics to try and recruit new members into our community of sisterhood. We can easily do this by wearing our letters loud and proud. Wear them to child drop-off. Wear them to the next school function. Wear our letters when helping out at sporting events. Wear your letters to community functions. Wear your letters with pride, and when someone comes to you and asks what your shirt or letters mean, you can tell them all that we do as a sorority to help our communities.

Remember that when you volunteer and wear the Psi Iota Xi letters and are doing it in the name of Psi Iota Xi, then you get volunteer hours! It is as easy as that! We are counting those volunteer hours each year and have you submit them with your PCR. Some sisters wondered how certain chapters had so many. This is it! Volunteer at your local school sports function and wear our letters; you get volunteer hours. Volunteer at the local civic theatre and wear your Psi Ote letters; you get volunteer hours. Simple and easy and a fantastic way to promote our organization! Get out there and show your Psi Iota Xi pride!

Loyally yours,

Lauren Burk

Northeast District Officer
