

# SPRING 2026

## Unlock Clarity, Confidence, and Results in One Day

Statewide, in-person trainings designed to elevate instruction, strengthen systems, and equip educators with practical, ready-to-use tools.

### Included with Your Training

Take home a STEP Up resource to implement immediately!

[REGISTER NOW](#)

#### Instructional Leadership in Action

Strengthen building systems with practical tools to improve instruction schoolwide.

#### 4-Core Classroom Confidence Series

Equip alternatively certified teachers with clear, ready-to-use instructional practices.

#### Unlocking the MELTS (Early Childhood)

Build strong Pre-K instruction using the MELTS and ready-to-use lesson plans.

#### Portrait of a Proficient Writer

Clarify K-12 writing expectations and strengthen your school's writing culture.

#### Missouri Instructional Testlets (MITs)

Use testlets to support formative assessment and improve student readiness.

#### Building Standards-Based IEPs

Use the MATTs to build SMART goals aligned to Missouri Learning Standards.

#### Developing Meaningful Pre-K Learning Experiences

Design high-quality, developmentally appropriate Pre-K learning across the 7 domains.  
MO PD Approved • Event #208169

#### Alternatively Certified Staff Training

Equip new and long-term substitutes with essential structures and instructional tools.
