

FROM READINESS TO READY

Your professional development starts here. Join us for the 2026 ACT College and Career Readiness Workshops – free, flexible, and built to support the work K-12 educators are already doing.

Choose in-person events to collaborate and learn with your peers and online events to hear national experts share best practices for moving students from readiness to ready.

Register once – attend as many events as you like.

PRACTICAL TOOLS, PEER CONNECTIONS, AND A CLEARER PATH FORWARD FROM READINESS TO READY FOR YOUR STUDENTS

More than **100 events** across the country —
plus **nine online webinars** your team can attend from anywhere.

IN-PERSON LOCAL EVENT

Hands-on, half-day workshops tailored to your local education landscape. Network, collaborate, and leave with strategies you can use with your team.

WEBINAR EVENTS

Focused, solution-specific sessions you can attend from anywhere. These will feature strategies for successfully implementing ACT tools and achieving impressive results.

WORKSHOPS START IN AUGUST! THIS YEAR'S READINESS THEMES:

Laying the Foundation: Embedding ACT® College and Career Readiness Standards into curriculum and instruction.

Reading the Data: Using PreACT and ACT assessment results to shape what you teach – and how.

ACT Updates: What's new in the enhanced ACT – more flexibility, deeper insights, a student-centered experience.

Closing the Gap: Early intervention and best practices that move the needle.

Life Beyond the Score: Workforce readiness and postsecondary pathways for every student.

Each session is designed to support you!
