

PD SPRING LEAGUE RULES - 2019

Introduction:

The following are the regulations for the 2019 PD Spring USTA Tennis League and apply to the Adult 18 & over Age Group, 40 & over Age Group and 55 & over Age Group. These regulations augment the USTA League Tennis 2019 Regulations, the USTA Southern Section Regulations for 2019, the USTA South Carolina State Regulations for 2019. For the most part, Local League Regulations do not repeat rules and regulations found in the other documents. In those instances, where a regulation is repeated, it is repeated verbatim.

The PD Local League has appointed Michelle Moore and the South Carolina League Coordinator has approved Michelle Moore as the Local League Coordinator (Phone: 478-808-1756c) Mailing address is 1625 Mallard Lane, Florence, SC 29501. Email address is mrstmmoore@yahoo.com. The LLC's responsibility along with the PD League Committee is to organize, coordinate, supervise, implement and administer all USTA League Tennis activities on the local level as well as interpret the Pee Dee Local League's rules, regulations and procedures. Local Rules may have to be corrected or changed annually without approval of local membership if State, Sectional, or National USTA Regulations are changed. Also, National, Sectional, and State Rules and Regulations take precedence over Local League Rules and Regulations. The LLC reports to the State League Coordinator.

1. The PD League provides Adult League play opportunities for the following counties: Florence, Darlington, Dillon, Sumter, Clarendon, Lee, and Marion counties. * A \$250.00 Deposit from each team advancing to the championships is required and any team withdrawing from a championship after the deadline for online registration will be subject to a fine of \$250.00 per team, payable to USTA SC. The deposit is to be sent to the Local League Coordinator. Once championship play has begun, the Local League Coordinator will destroy the check. A grievance may be filed against the withdrawing team in addition to the \$250 fine. Penalties against these team members may include that all members on the submitted roster be banned from participating in any USTA leagues for a period of up to 364 days.

* Players that qualify to go to the State Championships on 2 teams at the same NTRP level and age group must declare which team they will play on at the Championships. **1.04G (6): Players who qualify for State Championships may advance on more than one team in the same Age Group (i.e. player can play on an Adult 18 & over 3.5 and 4.0 team) but with no schedule accommodations;**

7. In the event that a double default (both opponents default and neither team is awarded an individual match point) that results in a 1-1 or 2-2 individual match score, the tiebreak procedure in Rule #6 will decide which team wins the team match.
8. Team Default Rule – The PD League will use the USTA SC Rule as follows:
2.01C(5) If a team defaults an entire match for any reason during round robin play, all matches for the defaulting team already played or to be played shall be null and void when determining standings but will be used for ratings and advancement purposes. If all teams with a mathematical chance to advance have played the defaulting team in good faith, those matches shall stand as played when determining standings. Teams that default an entire match are expected to play the remainder of their schedule. A grievance will be filed against a team that is assessed a team default.
9. A team may default a maximum of two positions in a match (only one for 55's, 2.5's and 5.0+'s) without defaulting the entire match. In such cases defaults shall be determined in accordance with the following:
- (a) SINGLES - the #2 singles must be defaulted before the #1 singles may be defaulted.
 - (b) DOUBLES-The #3 doubles must be defaulted before the 1 or 2 doubles may be defaulted.

Any team without enough players to play all of their individual matches must fill out their line-up sheet according to (a) & (b) above (a captain can default whichever match or matches they choose as long as they follow (a) & (b) above). After line-ups have been exchanged, they can only be changed

because of injury or illness for any individual match that has not started. If a team does change their line up (in the affected position only) for this reason, the opposing team may not change his/her line-up. In case of a no show (on line-up sheet but did not show), that match is the only one affected and is recorded as a default.

10. There will be a 15-minute default rule in effect for all scheduled matches. The 15 minutes begin at the time the match was scheduled or when the first individual match goes on the court (whichever is later). **WARM UP LIMITED TO 10 MINUTES!**
11. An individual match is started when the first ball is put in play. After the start of an individual match, if injury to, illness of, or disqualification of a player occurs, the opponents will be awarded a default for that individual match only. **To receive a win by default, the non-defaulting player or players must be present on court, ready to play; however, if a team captain advises his/her opponent in advance of the default, he/she, in effect, waives the requirement for the non-defaulting player(s) to be present in order to receive the default.** NOTE: In the event that rain or inclement weather forces the cancellation and re-scheduling of a team match, substitutions may be made in any individual matches which had not begun. Points awarded for defaults during the original lineup exchange will stand. All players involved in such defaults cannot participate in the rescheduled match.
12. **NO MATCH CAN BE RESCHEDULED (except rainouts) UNLESS GIVEN PERMISSION BY THE LOCAL LEAGUE COORDINATOR.**
13. When a match is rained out teams have 2 weeks to make up the match (if that match gets rained out you have one more week to make it up). It is the home team responsibility to make sure courts are reserved ahead of time for make-up matches. Please email Ed Sprenger the rescheduled date and time.
14. Completed individual matches will stand as played. Uncompleted matches must be resumed using the same players and starting at the exact score as existed when play was halted.
15. Home team can use courts of their choice, and should furnish 5 courts for adult 3.0, 3.5, 4.0 & 4.5 and 3 courts for adult 2.5's, 5.0+'s and Adult 55's. Home teams must furnish new USTA approved balls. Home captain should convey to visiting team, **at time of match and before exchanging lineups**, if he/she is using multiple surfaces and which positions are on which surface.
16. **USTA rules govern play. Also, "The Code" as a handbook of ethics and fair play should be understood and followed by every player.**
