February 24, 2023

Dear Cypress School District Families,

This letter provides a brief update on the status of the 2023/24 academic calendars and the timeline for Board approval.

Typically, the Cypress School District aligns its academic calendars with the Anaheim Union High School District to support our families with children attending both school districts. However, a new state program will necessitate a slight change for next year.

The Expanded Learning Opportunities Program (ELO-P) requires school districts to provide enrichment programs for students in transitional kindergarten through sixth grade. In addition to offering programs before and after school, school districts must also provide students with 30 days of enrichment programming during intersession periods, which include winter, spring, and summer recesses. To accommodate this requirement, the district plans to extend winter recess on the traditional academic calendar from two weeks to three weeks beginning next year.

For your information, enclosed are the proposed 2023/24 traditional and year-round academic calendars that will be presented for Board approval on March 9. Aside from the adjustment to winter recess, the traditional calendar remains essentially unchanged from last year. Once Board approved, the 2023/24 academic calendars will be posted on the school and district websites.

If you have further questions about the academic calendars, I encourage you to contact your school principal. More information about ELO-P will be forthcoming.

Sincerely,

Anne Silavs Superintendent
