Sale of Hametz Every Jew is required to rid their homes of food items containing any of the five grains forbidden on Passover: wheat, oats, barley, rye, and spelt. There are two suggested ways of removing non-perishable food items containing “*Hametz*”: 1.) Donate them to a local food shelf, or 2.) place them in a closed-off area for Passover and have them contractually sold someone not Jewish who is not responsible for the observance of Passover. If you wish to pursue the 2nd suggestion, complete the attached form and return it, **with a small donation**, to Temple Beth Sholom **no later than 10:00 am Thursday, April 10, 2025**. All donations will be contributed to those in need during Passover.

Please return this form to Temple Beth Sholom no later than 10:00 am, April 10, 2025
