SHMINI! After Aaron blesses the Israelites, a fire emerges from God and consumes the burnt offering and fats that are on the altar. But Aaron's two oldest sons, Nadav and Avihu, each take a fire-pan with fire and incense, resulting in what the text refers to a "strange fire" that God had not commanded. Instantly, fire emerges from God and consumes Nadav and Avihu. Moses offers a cryptic explanation for their deaths, which is met by Aaron's silence.
