DUES SUPPORT PROGRAM

WHY JOIN *The Visionary Society*

Jewish religious life and culture should be accessible to everyone. However, this is often not the case. With this challenge in mind, Temple Beth Sholom has created The Visionary Society to afford the temple the ability to welcome everyone inclusively.

The Visionary Society is an opportunity for you to express your support for the vision of the temple by making an annual gift in addition to your dues.

It is also an opportunity to help the temple fulfill its obligation to welcome Jews of all backgrounds. This program also bridges the financial gap for our fellow congregants who are unable to afford the temple's full dues. Please consider assisting TBS in making excellent religious, educational, and cultural Jewish experiences accessible.

HOW TO JOIN *The Visionary Society*

There are several levels of enhanced annual support described below, each associated with recognition and additional benefits. Please know every temple congregant is appreciated and valued individually regardless of their ability to participate in this program.
