

Long Island Council on Alcoholism and Drug Dependence

NALAXONE TRAININGS

Opioid medications (e.g.-Vicodin, oxycodone, etc.) and heroin are currently being abused in epidemic proportions. This one hour lecture with a 20 minute demonstration will provide the proper training to any person interested in saving lives from opioid overdose. Completion of this training program will qualify participants in the proper administration of Nalaxone, the antidote for opioid overdose.

Training Dates

September 21st- Westbury
