Our Free Four Session Family Program Was Developed To:

- *Help family members to become better educated on addiction/recovery*
- *Help families cope with the impact addiction has had on them*
- *Identify services and treatment options for the family*
- *Help families constructively cope with the addicted family member*
- *Help family members address codependent/enabling behaviors*
- *Answer any questions about Seafield & the services we provide*
- *Encourage family members to attend Al-Anon, Families Anonymous...*
