Patricia M. Pike, LAADC, CADC-II, ICAADC, CIP, CCIP

Patricia M. Pike is a highly respected leader in the field of behavioral health treatment, specializing in substance use disorders, complex mental health issues, and family intervention services. As the founder and CEO of **CanAm Interventions**, Patricia brings decades of experience and a deep personal commitment to recovery, having been in long-term recovery herself.

Holding dual citizenship in the United States and Canada, Patricia has helped countless individuals access treatment and achieve lasting recovery through her extensive work in the inpatient treatment industry. She has led hundreds of successful interventions globally, working with individuals of all genders and ages facing addiction, mental health challenges, and co-occurring disorders.

Patricia serves a wide range of populations, including private families, corporate executives, professionals, entertainment industry figures, and loved ones affected by addiction. She is especially passionate about supporting parents through **Interventions, and family case management approach**, providing structured guidance that benefits the entire family system.

Her recovery journey enhances her professional practice, allowing her to connect with clients and families with empathy and personal experience. Patricia is also a strong advocate for **collaboration** within the behavioral health field and has worked alongside countless professionals to build cohesion and strengthen community support networks.

Her expertise in **attachment disorders** enables her to quickly assess family dynamics and implement effective strategies that foster healing and sustainable recovery for all involved.

Patricia is a credentialed expert with a **Master's Certification in Addiction Studies** and holds the following professional designations:

- **Licensed Advanced Alcohol Drug Counselor (LAADC)**
- **Certified Alcohol and Drug Counselor-II (CADC-II)**
- **Internationally Certified Alcohol and Drug Counselor (ICAADC – IC&RC)**
- **Certified Intervention Professional (CIP – Pennsylvania Certification Board)**
- **Canadian Certified Intervention Professional (CCIP – CACCF)**
- **Adult Instructor Diploma (AID – Simon Fraser University)**

Beyond her clinical and intervention work, Patricia serves as a **board member of the Association of Intervention Specialists (AIS)**. She is a passionate educator who has trained hundreds of professionals across North America in ethical, evidence-based intervention strategies. Her specialized training programs aim to elevate the standard of intervention certification and empower practitioners to serve clients with skill, confidence, and compassion.

Patricia's mission is grounded in **equality, dignity**, and the unwavering belief that **recovery is possible for everyone**. She is a dedicated advocate for individuals and families—committed to being a voice for the voiceless and a beacon of hope in the face of addiction.
