Short Bio:

Dr. Larissa Ozeki graduated in 2008 from the Sao Paulo State University in Botucatu, Brazil; and after graduating she completed her Veterinary Anesthesiology Residency Program

at the same university. Anesthesia and pain management were always Dr. Ozeki's biggest passions. After her residency, she went to Calgary to pursue her Master's degree with wildlife anesthesiology. She also worked at the University of Montreal as an anesthesiology clinician for around a year, and in Calgary as an emergency veterinarian. She adopted her first cat (Theo, a Ragdoll cross) from the Calgary SPCA and fell in love with cats and feline medicine. A year later she adopted Neko who was rescued from a dumpster at only 2 weeks of age. In 2017 she joined the team at Cats Only Animal Hospital in Vancouver (founded by Dr. Margie Scherk in 1986) and in 2020 she became the hospital's Medical Director.
