JOB DESCRIPTION

TITLE:	Anticipated Vacancy for English as New Language (ENL)Teacher/Teacher of Multilingual Learners
REPORTS TO:	Principal
DATE BOE APPROVED:	N/A

NATURE AND SCOPE OF JOB:

The English as a New Language teacher/teacher of Multilingual Learners will provide targeted language instruction and support to multilingual learners in grades K-4. Additionally, the teacher will collaborate with classroom teachers to ensure students receive appropriate language development instruction aligned with their individual needs.

QUALIFICATIONS:

- Valid New York State certification in Teaching English to Speakers of Other Languages (TESOL) and Childhood Education (1-6)
- Experience working with elementary-aged multilingual learners preferred
- Strong communication, collaboration, and organizational skills
- Commitment to supporting equity, inclusion, and the academic success of all learners

TERMS OF EMPLOYMENT:

- Part-time position (across five days a week)

PERFORMANCE RESPONSIBILITIES:

- Delivering direct ENL services to identified students in Kindergarten through fourth grade
- Developing and implementing language acquisition goals based on students' English proficiency levels
- Collaborating with classroom teachers to support content-area learning and differentiation
- Monitoring student progress and maintaining required documentation
- Participating in team meetings and contributing to the development of instructional plans

EVALUATION:

- Performance will be evaluated annually using the same method as teachers.
