ABOUT THE EVENT

Educators, policymakers, and practitioners are invited to this FREE virtual professional learning experience! This four-day symposium will provide a platform for sharing research, practices, and strategies that promote effective literacy and linguistic development for children in Pre-K to 3rd grade who are not only developing English skills, but also becoming multilingual and multiliterate. Please save the dates and join us!

AUDIENCE

Early childhood educators including pre-school and pre-kindergarten, as well as grade K-3 teachers, directors, and staff from both public and private early learning programs.

REGISTRATION

Closes on January 29, 2024
