Hello, my name is Felix Macharia. I am thirteen years old and attend Mbau-ini Primary School. I am in 4th grade. I live in Matathia with my mom, two brothers and one sister. My oldest brother is Martin. He is a DOWM student studying medical engineering in a town called Thika. He is supposed to graduate this year. My younger brother is James. He is 5 years old and in grade 1 of the same school I attend. He likes to read. My sister Nancy is 4 years old and attends ECDE Emma Nursery. My brother James and I both attend the DOWM After School Program. This helps us get good grades in school.

When I am home I work in the garden. I like to play football(soccer).

I am so excited to have a sponsor from the US. He has come to Matathia to meet me. We have also talked on the phone together. My sponsor is a school teacher. I hope to be a pilot. I appreciate my sponsor paying my school tuition so I can attend school and prepare to become a pilot. I don't worry about being hungry as he provides food too.
