

PIEI-KENYA-DOWM

Dorcas Orphans & Widows Ministry

Morris Mungai

Birth: July 27th, 2013

It is Morris Mungai's prayer to have a sponsor and be a part of the DOWM Ministry. He is a single orphan as his father died in a road accident and he is living with his single mother. The work is hard, but they help each other and together they are making it day by day.

Morris attends Mbau-ini Primary School where he is in grade 6. He has many friends at school. He looks forward to attending the DOWM After School Classes as he prepares for high school in a few years.

His favorite color is cream and his favorite food is rice.
