Dorcas Orphans & Widows Ministry

Sponsor Needed

Dennis Njoroge

Born: February 18, 2017

Dennis Njoroge is a single orphan. Nothing is known about his father. He is being raised by his single mother. Dennis and his mother are doing the best they can, but things are very difficult for them. Having a DOWM sponsor and being part of the DOWM Ministry would mean so much to both of them. In the picture above you see Pastor Francis and the orphans who are praying for him.

Dennis attends Mbau-ini Primary School and is in grade 3. His favorite foods are rice and meat. His favorite colors are white and black.

We hope that you will consider sponsoring this young boy.
