Charles Gitau was born in May, 2014. He is a true orphan as both mother and father are not in his life. His father was unknown and he was raised by his single mom until her death due to HIV Infection. Since his mothers death Charles has lived with his grandmother.

Charles presently attends Mbauini Primary School. He is blessed to have a great sponsor from the US. His sponsor has made one trip to visit DOWM Ministry in Kenya. It was after that visit that he chose to sponsor Charles.

To send a monetary gift to Charles go to:
