Hello,
my name is Lucy Wanjiku. I am a true orphan. Being left alone with no family of my own I was so blessed to become a part of the DOWM Family. I now live with a kind man and his family. His name is Samuel. I call him Grandfather. We live in the Matathia community.

I am 14 years old and attend Kijabe Primary School. I am in grade 8. I also attend the DOWM After School Program. These teachers help me to understand what I am being taught in primary school. They make sure I keep up on my daily assignments. My grades are much better with their guidance.

I am happy that as a member of the DOWM family I am taught community service. It is so nice to help my community in the same ways my U.S. sponsor helps me. Thank you Christine for being my sponsor and providing for my tuition and physical needs.
