**Peter Muchiri**

**Birthdate: February 11, 2013**

Peter Muchiri is one of four children being raised by their single mom. With the support of his sponsors Peter is able to be in school. He attends Mbau-ini Primary school in grade 6. He works hard to get good grades. In the future he hopes to be a doctor. He is doing his best to make his mom and his sponsors proud of him.

Peter's favorite game is football (soccer in the US). His favorite color is black and his favorite foods are rice and chicken.

The above photo is Peter meeting his sponsors when they came to visit him in 2019. They now have three children of their own.
