Dorcas Orphans & Widows Ministry

Joyce Waithera

Birthdate: June 28, 2005

When Joyce's mother died from HIV Aids, her siblings were taken from the home to go and live with other family members. Joyce was left to be raised by her single father. Her father was kind and did a good job caring for Joyce. He helped with the DOWM Ministry projects to help provide for the needs of the children. Joyce was blessed to have a very kind sponsor helping her as she grew up. Her sponsor was a true prayer warrior who prayed for Joyce and for the DOWM Ministry. Sadly her sponsor became very ill in August 2024. She passed away in March 2025. She had a friend who was helping her sponsor Joyce and her financial needs for college have continued to be met. Joyce has completed her year of college and is doing her internship at NiMOLI College. She is training to be a community care giver attendant.
