Born: September 20, 2014

Juliet Wanijiru is a lovely young girl who blesses our DOWM Ministry. She is a double orphan since her mother was killed in an accident and her father is unknown. Juliet went to live with her grandmother when her own mother died. Her grandmother has been very kind in taking her in and caring for her.

Juliet is in grade 4 at Mbau-ini Primary School. She has a desire to be a nurse when she grows up.

Her favorite color is green. Her favorite food is Chapattis, and her favorite game is Volleyball.

Juliet takes after school classes with other DOWM orphans preparing her for good scores when she is tested.

Juliet has a very kind sponsor who is a pilot in the US. His generous support is helping to pay for her school tuition and uniforms, food, clothing and medical insurance.
