**Kennedy Akhame**

**Birth: August 8th, 2022**

Kennedy Akhame is one of four children being cared for in their home by his single mother. He attends Mbau-ini Nursery School.

Kennedy loves to play football with his brothers and sister and all his friends at school and in the neighborhood. Football in Kenya is what we call soccer.

Kennedy's favorite color is red. He likes to eat chapati (flour flatbread).
