Peter Gikonyo
Birthdate: June 30, 2012

Peter Gikonyo is very happy to be in the DOWM Family and to have a very kind sponsor helping him. Peter's father deserted the family and his mother died of HIV leaving him and his brother Humphrey orphans. They were blessed to have their grandmother take them into her home where she cares for them and a cousin that is also orphaned.. Their grandmother is a widow and they all work together to help each other in their home.

Peter has a very kind sponsor who lives in Kalamazoo. She has been so faithful in her sponsorship of Peter. She has been a blessing in his life. Her sponsorship provides food, clothing, school tuition and medical treatments for Humphrey as needed.

Peter is in grade five at Mbau-ini Primary School. His favorite game is hockey. His favorite color is black/white and his favorite food is African Smashed Potatoes. His ambition for the future is to be a pilot.
