Hello, my name is Joseph Kamau. I live in Korio with my mom, step father and three brothers and two sisters. I am 12 years old and in grade 6 at Mbauini Primary School.

I am so thankful to be in the DOWM Family. With the help of my sponsor I have food, clothing and tuition paid so I am able to go to school. I enjoy attending the DOWM After School Program. With the help of the teachers in the After School Program I am doing much better in school. I hope I am prepared and test well in two years when I will sit for Secondary school (high school) exam. The scores on this exam will determine what school I will be going to as I further my education.
