**Precious Mukuhi**

**Born: December 25, 2016**

Precious . . . the perfect name for this precious little girl. And she was born on Christmas Day. Sadly her father was unknown and her mother died giving birth to her. Her grandmother has cared for her since her birth. She has no siblings.

She is blessed to have a wonderful sponsor who faithfully sends her support for her school tuition & uniforms, food, clothing and medical insurance.

Precious attends Mbau-ini Primary School where she is in grade 5. Her favorite game is volleyball. Her favorite colors are red/white. She enjoys eating beef and rice.

This young lady is hoping one day to be a nurse.
