Birthday: February 3rd, 2016

Grace Wanja is a sweet girl who was brought into the DOWM Ministry a year ago in 2024. She was blessed to have a kind husband and wife couple sponsor her right away.

Grace is considered a double orphan. She has never known her father. She has no known siblings. She was raised by her single mom who died of cancer. At that time Grace went to live with her grandmother where she continues to live today.

Thanks to her sponsors, Grace is attending Mbau-ini Primary School where she is in grade 3. Her favorite game is playing volleyball. Grace's favorite color is blue. Her favorite food is beef.
