Dorcas Orphans & Widows Ministry

John Maina

Birthday: August 12th, 2006

John is a single orphan being raised by his mother. He has three siblings living with him. They are considered single orphans because their father deserted them and they have been raised by their single mom.

John has just completed high school and plans to begin college in April, 2025. He will be taking classes to become a construction engineer.. the picture above shows Pastor Francis delivering a computer to John from his sponsors. They also provided computer classes to prepare him for his college classes. The picture on the left is John and his brother Francis listening to a talking Swahili Bible. Favorite game - Volleyball
