Bringing People One Step Closer to Jesus

Let all that is within me praise the Lord! Trinity was once again blessed by the hand of God's mercy and grace. Both our church and our school are growing, and I thank you for your generous support and God's provision that has made all this possible.

Your generous contributions over the past year have helped in so many ways! Stained glass windows, new roofs, new young people's ministry, new FCA-TYM and many others; shared previously with you.

Here is one significant way your financial support helps Trinity to carry out Trinity's tradition, and mission of "bringing people one step closer to Jesus..."

I recently started our Wednesday Chapel Service with nearly 80 CDC children, and their teachers. During that service, I taught them about John 3:16 and how much God loved them, each of them. We then started counting all the crosses in the Sanctuary, and we didn't have time to even finish. The point that I wanted to make is that each and every time we see a cross, we are reminded about how much God loves us. I hope the cross paints such a picture for you, showing how much God loves you, especially as we've just celebrated what our Risen Lord did for us on the cross at Calvary!

We once again ask you to pray about what the Lord would have you contribute to the ministry of Trinity in the upcoming year.

Your contributions make possible everything we do here, as exemplified in our CDC children being able to attend chapel every week. Some of these children will only hear about Jesus' love for them when they are on Trinity's campus.

Our church is growing! Please consider increasing your gifts this year. As you know, our church is not immune to the rising cost of just about everything. Inflation affects us too. Taking care of the House of the Lord is of utmost importance as stewards of everything the Lord has entrusted to us.

Thank you! Thank you for your faithful financial support of Trinity in the past year. You are very much appreciated. ***Thank you in advance for what you will do in the upcoming fiscal year!***

May the Lord bless you and keep you as you respond to His call to give unto the Lord.

In Christ,

WHAT IF...

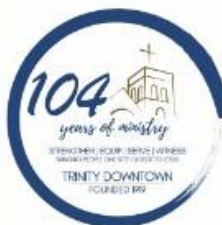

- If 50 people increased by giving up one \$4 cup of coffee each week, Trinity's budget would increase by \$10,400
- If 50 people gave up one \$10 fast food meal a week, Trinity's budget would increase by \$26,000
- If 20 families earning 80K per year go from a 6% to 10% giving - Trinity's budget would increase by \$62,400
- If 40 families earning 57K went from 0% giving to 5% giving - Trinity's budget could increase by \$104,000
