

Dear Sunday School Families,

May 29, 2019

This week's family faith talk opportunity: **What color would you choose to describe summer? Why?**

My first thought about the color of summer was **YELLOW**. Thanks to colormatters.com I learned that:

1. **Yellow** is the color that captures our attention more than any other color;
2. In almost every culture **yellow** represents sunshine, happiness and warmth;
3. It is not true that babies cry more in **yellow** rooms, or that **yellow** causes diarrhea, or that husbands and wives fight more in **yellow** kitchens.

Who knew!

*For as long as Earth lasts, planting and harvest, cold and heat,
Summer and winter, day and night will never stop.*

On the Horizon

1. **Sunday, June 2:** It is Communion Sunday. There will be Nursery Care (birth-age 4) and Sunday School (age 4 - Grade 5). The Youth Discussion Group will NOT meet but youth are invited to join the Sunday School for a VeggieTale video. **This is the last day of Nursery Care and Sunday School until the autumn.**
2. **Sunday, June 9:** Pentecost Sunday all-ages worship. Be sure to wear something **RED**.
3. **Sunday, June 17:** The Silver Lake summer staff will be commissioned in our church during all-ages worship. This service is very kid-friendly with lots of energy and great songs. My grandchildren, Alison and Colin True, will be working at Silver Lake this summer. I hope you will be there to meet and greet them and the other young people who will spend their summer working in "God's backyard."
4. **Sunday, June 24:** Our all-ages church service will be **at Silver Lake**. This is one of my favorite services of the year - come worship in a beautiful outdoor setting; great songs; a chance to see the Silver Lake facility. Rain or shine.

This week's family faith talk opportunity: **Tell a story about something you lost or forgot.**

Blessings,
Barbara
