

Cover Crop Seeding

Field Demonstrations

Sept. 22, 2020 • 10:00am—12:00pm

**Snacks
Provided**

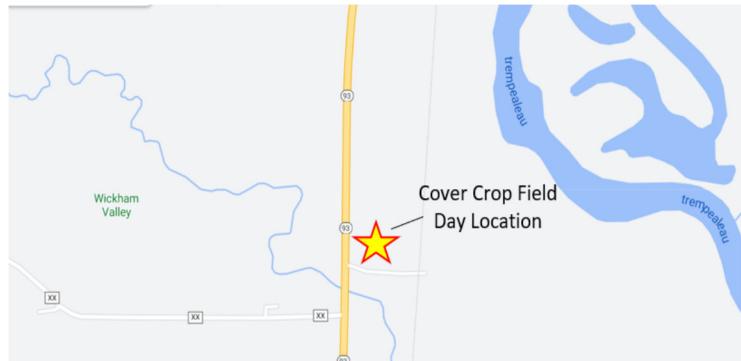

Come see how simple cover crops can be! Farmers will demonstrate multiple planting methods:

- Fenning S2S Interseeder
- Custom made seeders
- Traditional seeders
- Broadcast seeders

Don't miss our two guest speakers:

- Gary Fennig, Fennig Equipment
- Matt Oemichen, Short Lane Ag Supply

Field Day Location Map:

Field is located 4 mi. South of Independence, WI.
North of the intersection of HWY 93 & Co Road XX.

Too far to drive? Join in on the conversation in multiple ways:

1. To access the virtual broadcast, please email Erica Olson for the link. Erica.olson@wisc.edu
2. The event will also be recorded for later viewing
