### About One Young World

[One Young World](#) is the global community for young leaders. We exist to develop young leaders who are taking action to solve the world's big challenges. It all begins with the One Young World Summit, an annual gathering of 2,000+ of the brightest young leaders from every country and sector. Delegates from 190+ countries are counselled by influential political, business, and humanitarian leaders such as Justin Trudeau, Bill Clinton, Meghan Markle, and many others to harness the knowledge and skills needed for being impactful change makers.

The One Young World Summit 2024 will be held in Montréal, Canada. Montréal is a vibrant and multicultural city, known for its rich history, culture, and innovation. It is also home to many global organisations, such as the United Nations, UNESCO, and the International Civil Aviation Organization.
