## Multiple Farmington Public Schools' students placed in the Regional Michigan Industrial Technical Education Society Competition

*Farmington, MI* – Michigan Industrial Technical Education Society (MITES) hosted their Regional Grouping for the State Competition on April 27, 2022. Multiple Farmington Public Schools' students competed and placed throughout the competition.

MITES is designed to empower students, teachers, and stakeholders to grow, lead, collaborate, and advocate for industrial and technological education and workforce initiatives. Through MITES, students learn how to become positive workplace and workforce role models, organized for success, and build successful relationships to assist them in the workplace.
