**Thursday, May 28th 1pm**

Putnam Clubhouse had been planning its fifth annual event **Sweep Away Stigma**, scheduled for May in honor of **Mental Health Awareness Month**. We were going to clean up the downtown area of Concord, as we have done together with our community partners, family, and friends the past 4 years! Well, the **COVID-19** pandemic brought us all to a halt, with a shelter-in-place order. Over the last 9 + weeks, our respective communities have been working hard to figure out how to deliver essential services to our program participants, and are doing a wonderful job despite the significant barriers brought on by COVID-19.

**We want to Honor the Amazing Work being done in Contra Costa County by your Agency, so Putnam Clubhouse is hosting a Virtual Event on Zoom:**
