

Board Candidate Profile

Richard Riggie

My name is Richard Riggie. I have served on the board for approximately the last 2 years as secretary and currently as assistant secretary. The last 2 years, serving on the board, I have learned a lot about the process and time it takes to serve the homeowners of the Villages of West Creek. I have lived in the Villages of West Creek since 2013. I work full time as an investigator for the FDA. My family and I enjoy our neighborhood and it's amenities. I look forward in the continued effort of our neighborhoods up keep and continue to grow and improve our common areas.
