

Heather Mallia

My name is Heather Mallia. I'm a homeschooling mom to two boys, 16 and 13. My husband and I have been married for 25 years. In 2022, we will celebrate our twenty year mark as homeowners in the Villages of Westcreek. My hobbies include reading, running, hiking, spending time with my family, Bunco nights in the neighborhood, and volunteering.

I have always made an effort to stay actively involved in our community. My previous Board of Directors experience includes serving as Member-at-Large (now called Assistant Secretary) in 2006 and Vice President in 2007. More recently, I served as Vice President in 2018 and I'm currently serving as Treasurer (2019-2021). My committee experience extends to almost every committee in Westcreek. I am currently serving as Board liaison to the

Communications Committee and the Suggestions & Recommendations Committee. I volunteered for the Finance Committee for several years, then served as the Chairman of that committee from 2019-2021. Over the years I have also served on the Sports Park Committee (member, then Chairman), RFID Committee (Secretary), Ad Hoc Fence Committee, Elections Committee, and Strategic Planning Committee. I feel having volunteered in so many different areas within the Villages of Westcreek, I have an extensive understanding of our community's evolving needs and the inner workings of the HOA.

Serving on the Board is a huge commitment that I am prepared and willing to take on. I believe in full transparency by the Board and I'm a huge proponent of open communication. I have always believed that our homeowners deserve a voice and have worked to make sure homeowners' concerns are heard. Together we can ensure we are making decisions for the best interest of the homeowners, the Association, and the community as a whole to maintain and increase our property values and to make this neighborhood a great place to live.
