

SMASH Dance & Fitness provides fun & unique styles of dance & fitness classes to suit the entire family.

SMASH originated in Las Vegas but the Military brought us to San Antonio! We are located at 6709 Bandera Rd. But as a West Creek Home Owners ourselves, we provide affordable Creative Dance for ages 3-5 for our very own community!

SMASH at WESTCREEK strives to be an affordable outlet to give kids an introduction to dance in creative dance, SMASH also works closely with the community, and offer a kids showcase for charity twice a year so kids perform for great causes!
