

Greetings Neighbors,

It is a great pleasure to invite all of our children in the Villages of Westcreek to participate in **Lemonade Day** held on May 6th, 2017 at the Sports Park 9:00AM - 12:00PM.

This event is designed to inspire kids to work hard, and make a profit; Also, this is a further opportunity to teach our children to spend some, save some, and share some by giving back to their community.

Steps to becoming a Lemonade Day Superstar:

1. Find a Mentor so they can help you through the rest of these steps.
2. Stop by the VWOA office and request a permit.
3. Go to <https://sanantonio.lemonadeday.org> to register your stand.
4. Review and follow the *Metropolitan Health Guidelines for Lemonade Day!*
5. Make a grocery run for all your ingredients and supplies.
6. Make some healthy, delicious lemonade and set up your stand on Lemonade Day.
7. Judges will come around during this time to judge and taste your lemonade.
8. Enjoy your new status: YOU ARE AN ENTREPRENEUR!

Judges will announce the category honors at 1:00PM

Metropolitan Health Guidelines for VWOA Lemonade day:

The lemonade stand must have a responsible adult to oversee the entire day's operations.

Lemons should be thoroughly washed before cutting and squeezing.

The water used to make the lemonade should come directly from a tap or bottle. DO NOT use the water from a garden hose or similar source.

Ice used for consumption must be from an approved source. Ice shall be held in bags until used and dispensed properly. Use a utensil with a handle such as a tong, scoop, cup, or ladle to dispense ice.

It is recommended that each lemonade stand shall have the following items present in the booth during operating hours:

A hand washing station with clean water. This station should include a clean water container with a spigot, filled with potable water, and catch basin to hold the wastewater until properly disposed. Soap and paper towels for hand washing.

Facilities for trash: Plastic bags or metal or plastic waste receptacles with lids.

A scoop for dispensing ice.

The booth shall be kept clean during the day's operation. All dirty water from handwashing must be disposed of in a sink or other drain. DO NOT pour the water on the ground or into the street.

Materials used to make the lemonade and all disposable cups should not be stored on the ground.
