### **LIFE GROUP DISCUSSION GUIDE**

OPEN: How would you describe a Godly marriage in three sentences or less?

DIG: Read I Peter 3:1-2

What do you think of when you think of a submissive wife?

Who do you know that exemplifies being a submissive wife and why?

Without necessarily calling names, tell of a wife who has had a huge impact on her husband spiritually. (Not your own wife).

DIG: Read I Peter 3:3-5

Why do you think Peter used outward adornment to make a point about spiritual beauty?

How did the holy women of the past show their beauty?

What differences, if any, do you see in the way women dress in society vs. the church?

DIG: Read I Peter 3:6

Why did Sarah call Abraham lord? (Genesis 18:12-15)

DIG: Read I Peter 3:7

According to this verse how are husbands to treat their wives?

What will happen to husbands if they do not treat their wives the way they should in verse 7?

DIG: If time permits, read Ephesians 5:18-33

Pray for marriages to be strengthened, and for those seeking marriage.
