A Message from the Leaders

Praise God for another year! Our God has been more than good by allowing us to see 2018. This congregation has such a rich history in testament of God's mercy, grace and blessings. From 1954 to present day, God is still showing His love toward us. All of the glory belongs to God!

It is the will of God that all would repent and come to the understanding of His word. We have been taught and have learned the true purpose and mission of God; to save souls and help souls stay saved. We do this by the love we share for one another and our love for the community. We continuously seize every opportunity to tell everyone about someone who can save anyone! The Leadership Team of Northside have thoughtfully put into place several ministries which are all centered around saving souls and helping souls to stay saved. This calendar was created to keep everyone informed of the various ministry activities and events taking place during the year. This year our theme is, “Preparing for the Future While Living in the Present”. Therefore, we encourage and expect everyone to participate in as many ministry events as possible. Using your talent, time and finance in the present to prepare for the future is total commitment to God through the work of His Church! This calendar will serve as a daily/monthly reminder of your commitment to God.

In order to truly “Prepare for the Future While Living in the Present,” you must be willing to make sacrifices, love each other and work together for the cause of Christ. It is very important that we all participate and cooperate in this work and that we look to God to provide all we need in our efforts of doing His will. So, keep this calendar in an easily accessible location where everyone in the household can refer to it and be able to remain informed. There is enough work for everyone! Choose a few ministries that you find interesting, find them on this calendar, join in when they meet and host activities and events thereby using your talents and gifts for the Lord.

We believe that God has some great plans for us, if we continue to do His will by working together to edify the strong, restore the weak and persuade the lost. “Let us stay focused on the main thing!” The word of God encourages us to not become weary in well doing.

This calendar and the events are not set in stone; therefore, some of the events and times are subject to change. Also, if you find any mistakes, please let us know.

The Leadership
