Family Emphasis Month

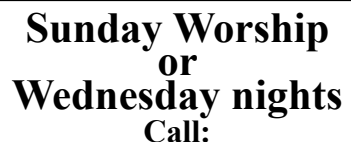

Colossians 3:17, "And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through him." We are in the midst of our Annual Family Emphasis Month. This is the time of the year, from Mother's Day through Father's Day, that we focus on the family unit and what God expects of our families. We have to be mindful of our words, thoughts and deeds because they affect all of those around us. Who are we around most often? Our family and close friends. The majority of us have learned that a family who works together will thrive together; but the opposite is true as well. We must remember to be pleasing to God in all things giving Him the glory. This is what makes the family unit strong.

Our upcoming **workshop, May 29th-May 31st at 7pm** nightly, will highlight **saving the family** and how the Satan uses different tactics through different family members to try to destroy the Kingdom. Our goal will be to inform you of the appropriate ways to teach, encourage, support and love each other in all that we do and say. We want you to know how to deal with certain things whenever they present themselves. Please join us!

It is an honor to have you join us in worship at the Northside Church of Christ! Our mission is to save souls and to help souls stay saved. We extend our sincere love towards you and we encourage you to take advantage of the opportunity to have a bible study with members who are eager to study with you. If you do not share our like faith, this bible study, as well as your visit today, offers a two way opportunity: (1) We have the chance to share with you the gospel of Jesus Christ and the essential steps to salvation. (2) You have the chance to hear, believe, repent, confess, and be baptized whereby being added to the Church of Christ. We welcome you to investigate what you hear and see today. You will be able to ask your biblical questions and receive biblical answers that will guide you to make an informed, life changing decision. Thank you for being our special guest! Please come again.

Please help us remain on the air; make a donation today.

Evangelism & DISCIPLESHIP

Did You Tell Someone About Jesus?

Matt. 28:19-20 is the great commission given to members of the body of Christ. As Christians, it is our responsibility to Tell, Talk and Teach others about Jesus. Telling someone about Christ will often open the door to Talk with them about Him. You can then Teach them or invite them to Church where they can be taught. We encourage each Christian to take advantage of such opportunities. If you know of a prospect, and for some reason cannot conduct a personal Bible study, please give their contact information to Bro. and/or Sis. Oliver or to one of our Leaders.
