Are you a parent or caregiver of a child with disabilities? Do you want to learn how to access vital resources and services through the Department of Developmental Services (DDS)?

Join our Amanda, Peer Ambassador and Jeanne, our Family Partner for an info session designed to help you navigate the DDS system and connect with the resources your child needs.

Join us to talk about:

- ✓ Understanding DDS eligibility and services
- ✓ Accessing funding and support programs
- ✓ Connecting with local and state resources
- ✓ Tips for advocating for your child's needs
