Destin-Fort Walton Beach Airport (VPS)

2025 Airline Service

About Destin Fort-Walton Beach Airport

Destin-Fort Walton Beach Airport (VPS) plays a crucial role as a transportation hub for tourists visiting the Gulf Coast region of Florida. With scheduled airline service provided by six carriers, the airport offers direct flights to over 40 destinations, serving more than 2.2 million passengers annually.

Travelers are provided with a variety of amenities, including rental car services, dining options, and retail shops. Additionally, the airport boasts the lowest parking rates in the region, making it a convenient choice for both short and long-term parking needs. The airport's facilities are modern and continually improving to enhance the passenger experience.
