Fort Walton Beach High School to Host Third Annual Viking Voyage Career Fair

Fort Walton Beach High School will host its Third Annual Viking Voyage Career Fair on Friday, April 10, 2026, from 9:00 a.m. to 12:00 p.m. in the school gymnasium, bringing together students, businesses, and community partners for a meaningful day of career exploration and connection.

The Viking Voyage Career Fair, where VOYAGE stands for Vikings Networking with Organizations Yielding an Opportunity for Great Exploration of careers, is designed to connect classroom learning with real-world career pathways. The mission of the event is to provide students with valuable opportunities to network, explore career options, and gain insight into the skills and experiences needed to transition from school to the workforce successfully. More than 1,500 students in grades 9–12 are expected to participate, allowing local employers, businesses, and alumni to engage directly with students, discuss job requirements, share industry knowledge, and highlight future career and workforce opportunities.

Fort Walton Beach High School is actively seeking employers, business leaders, and alumni to participate in this exciting event and help inspire the next generation of professionals. Businesses interested in participating are encouraged to contact Dr. Linda Dugan by email at Linda.Dugan@okaloosaschools.com or by phone at (850) 833-3300. Fort Walton Beach High School looks forward to partnering with the community to make the 2026 Viking Voyage Career Fair another successful and impactful experience for students.
