GAPPA 2019 Annual Meeting and Trade Show

Early Registration Deadline is May 1, 2019

President's Letter

The 36th annual GAPPA conference is fast approaching! We want to encourage you to join us at Jekyll Island for what is sure to be a great show. Our conference dates are May 25 through May 29, 2019; with the Exhibitor Trade Show Hall open on May 26th & 27th in the Jekyll Island Convention Center, adjacent to the beach.

Our theme this year is “fostering innovation through collaboration.” It takes a team of individuals, working together, to be able to design, build, and keep our facilities operating efficiently and safely. Humans are social animals and in our professional world it is becoming more and more evident that effective collaboration is key to the success of any team. Through collaboration, our construction and operations leaders can stay current in their fields and be able to better foster new innovation.

GAPPA has expanded to 105 exhibit booths this year and nearly 50 sponsors that will be there to help you with ideas, new technology, faster and efficient methods of solving old problems, and more. We recognize that institution budgets for travel expenses and lodging can sometimes be strained so we have again approved and set aside funding for stipends this year to help support your travel expenses for the 2019 GAPPA Annual Meeting and Trade Show. The stipends provide reimbursement for up to \$800 per individual, with a maximum of two stipends allowable per institution. We encourage you to apply early as there are a limited number of stipends available.

We hope you plan on joining us this year and encourage other members of your organization to attend who would benefit from the educational learning and collaboration opportunities available at GAPPA 2019. There will be a broad spectrum of educational sessions, keynote speakers, opportunities for peer networking, and chances to learn about the latest industry innovations from our various business partners.

GAPPA is a family friendly event, so bring the whole family. You will have free time for fun in the sun and to enjoy all the activities Jekyll Island has to offer. We look forward to seeing you all this year on the island!

Todd Bermann
