First Name	Last Name	Core Value Story
Fernando	Galindo	I can't say enough good things about Fern. He has been extremely helpful in helping Daniela and I get set up in our new offices at the 850 office. He is always willing to help even when it's not tech related. There was a lizard (eww lol) roaming on the stairs in the office and he was able to catch it and set it free. So thankful!
Daniela	Cruz	Daniela is always willing to help. She did office drops for the me while I was gone on vacation. Thank you so much for being ALL IN and covering while I was gone.
Fernando	Galindo	We were having an issue with the conference room tv/computer situation in Dept. 660 and he was able to jump in to see if he could get it working. We really appreciated his willingness to help!! He's all in for sure!
Randy	St. Clair	A manager that has taken over an HOA that we recently got a camp at, has been trying to play catch up and has sent a ton of emails to Randy and I. Randy has done a great job keeping her updated and being patient with all her emails. She sent us a thank you email thanking us for all our help. It was all Randy. Thank you for being a great team player and keeping me in the loop.
Candy	Allen	I needed string to finish a little project and Candy helped my search all over the office for what I needed! She's all in!
Angel	Gomez	Angel helped me figure out my Apple ID so I could download some apps to help me posting videos. Angel helped improve my quality of life!
Raul	Gonzalez	Raul came in to help change my lightbulb out because it has a timer and keeps turning off when I'm working. He wasn't able to get it done, but he had the right attitude and willingness to help me. He said he would help push get it done which I greatly appreciate! He's all in for improving my quality of life.
David	Santillan	David came in to help change my lightbulb out because it has a timer and keeps turning off when I'm working. He wasn't able to get it done, but he had the right attitude, was willing and happy to help improve my quality of life.
Brad	Wright	Brad is always faithful to come check with me when he sees boxes in the hallway. He knows they need to go somewhere and he usually wheels them where I need them. Thanks for improving my quality of life Brad!
Brandon	Jimenez-Gonzalez	Just wanted to email my thanks as well for handling another problem for Scripps Nob Hill quickly and professionally. The meter and ground around it looks as though you were never even here. Your guys were super friendly and knowledgeable, letting me know to expect more of these valve replacements, this being a sign that they've reached the end of their service life. Hope to continue to call on your team.
