

Witch Way To The Hayrides?

'Treat' Your Family To An Evening Of Friendly, De-frightful Festive Fun

The City of Independence has several spirited events scheduled to help residents enjoy a festive fall and Halloween season.

Haunted Hayrides: Something's been lurking in the shadows waiting patiently to scare all who dare to take a ride.

Be prepared for the screams and the spine-tingling haunts that appear on **Saturday, October 18 and October 25 from 8 to 10 PM** at the outdoor pool. The concession stand will be open, and the popular pumpkin ice cream will be served. The Haunted Hayrides are recommended for school-age children and older.

Festive Hayride: Residents can enjoy a festive, non-scary hayride through Elmwood Park on **Friday, October 24 from 7 to 9 PM**. Gather at the outdoor pool to access the hayride.

Admission to each hayride is one canned food donation per person.

Residents are encouraged to register for these hayrides to receive updates about the event. Call 216.524.3262 or register online: www.independenceohio.org.

Citywide Trick-or-Treat: The City will hold trick-or-treat for youngsters on **Friday, October 31 from 6 to 8 PM**.

The Independence Police Department has a limited supply of silver reflective candy bags for children. The bags are great for collecting treats and will help keep children visible and safe as they walk the streets after dark.

Independence Fire Department firefighters/paramedics will hand out glow necklaces to trick-or-treaters. Adding these necklaces, or LED lights, to your child's costume so that they are more visible to drivers on the road is always a good idea.
