

Save money on your travel - GoodLifeUSA \$200 VIP Hotel Savings Cards

This is a new fundraising opportunity for you and your family and friends to participate in, and save money on your hotel and resort stays. This is an on-going fundraiser, so you can donate whatever and whenever you want and receive a card worth \$200 in discounts. There is NO EXPIRATION date on these cards, but we would like you to activate them as soon as possible to preserve your savings.

Some of you were introduced to the GoodLife VIP Hotel Savings cards at the Golf Tournament and were generous enough to donate already. Thank you!

When you get your card, you will activate it and be taken to your very own booking site where you can check out hotels (over 950,000 worldwide) and over 6500 resorts worldwide. The discounts on hotels vary by the hotel and could be \$5, \$20, \$50 a night or as much as \$300 or more a night! If you find that your discount would take you over the \$200 for the whole stay, GoodLifeUSA will honor that price for the whole booking, so you could end up saving \$1000 or more!!!

When you check out the resorts, first you will see that the price is wholesale, not retail and as such is much less than what you will find at Priceline or other OTAs. Then you will see that the full \$200 is taken off the price immediately and you will save even more. An example - Hotels.com - \$1704.53 and GoodLife's price was \$549 for the exact same resort on the same dates.

This is an introduction to a membership site where you can save money on cruises, condo resorts, packages, car rentals and shopping if you choose to join, but there is NO OBLIGATION. You can just use your \$200 savings and do nothing further.

Please donate and claim your savings, thank you! You can either pick up a card at church or you can email Susiegood@thegoodconnection.com and I will send you a digital card.
